

# Acres Refurbishment Service

What does, the appearance of your manufacturing equipment say to your customers?

Before

After

We can refurbish one unit at a time, or implement a planned refurbishment schedule and carry out the work in batches. Once refreshed Acres can re-certify the equipment ready for use.

**Acres**  
**CREATIVE**  
**ENGINEERED**  
**SOLUTIONS**

The trolleys were given a standard refurbishment which included:

- Stripping down the current unit
- Repairing the metal structure where applicable and welding on new blind mountings
- Replacing worn components
- Shot blasting the metal structure, repair fabrication as required.
- Re-powder coating
- Assembling the unit with new wheels and fitting new blinds.
